

(This document is an English translation of the original version for reference purposes only. The original version is written in the Japanese language.)

■ Introduction

These guidelines provide guidance for those who wish to enjoy secondary creation using “Decentralized Autonomous Golem REML” (a character planned and managed by Bandai Namco Entertainment Inc.; BNE), which is included in VoiSona developed by Techno-Speech, Inc. (“Company”).

We hope that you will enjoy your creative activities using “Decentralized Autonomous Golem REML” after reading these guidelines.

■ Rules for Voice Use (Decentralized Autonomous Golem REML Commercial Use Guideline)

Content using voice waveforms output from VoiSona's “Decentralized Autonomous Golem REML” voice library (“user content”) can be used free of charge for non-commercial, non-business purposes. Even if you obtain compensation using user content, you can use it free of charge for the following individual uses on the condition of credit attribution. Please credit the name of the voice library character as “Decentralized Autonomous Golem REML” or “REML.”

- a. Posting user content on SNS, still image, and video sharing sites, and earning revenue through standard advertising revenue models or monetization programs officially provided by those sites.
- b. Recording user content on media such as CDs or DVDs and selling it individually or through doujin circles.
- c. Selling user content for a fee via download or streaming through designated digital music aggregators (hereinafter referred to as “designated aggregators”). For such use, please ensure that “Decentralized Autonomous Golem REML” or “REML” is clearly indicated in a recognizable place, such as the song title or artist name, and sell in accordance with the designated aggregator's regulations. Please note that character usage fees agreed upon between BNE and the designated aggregators will be collected through the aggregators and returned to BNE.

【Designated Aggregators】

- TuneCore Japan
- narasu
- ROUTER.FM
- KARENT

d. Other cases deemed free of charge by the Company or BNE.

For corporate use and commercial use outside the above individual uses, please contact BNE in advance (<https://bnfaq.channel.or.jp/title/3093>). Depending on the usage, we may enter into an additional license agreement, including license fees.

■ Rules for Character Use

See the following rules for secondary creation using the character of “Decentralized Autonomous Golem REML” (name, settings, visuals, etc.).

<https://denonbu.jp/guidelines>

■ Prohibitions

Refrain from using the character in the following expressions or contents.

- Content that violates public order and standards of decency or that is antisocial;
- Content biased toward a particular ideology, creed, religion, or political belief
- Content that infringes on the honor or dignity of a third party, or that infringes on the rights of a third party.
- Content that could be misunderstood or misinterpreted as official content planned by the Company or BNE;
- Content that seriously damages the image of the Company, its products, or its characters;
- Content that seriously damages the image of BNE, its products, or its characters;
- Any other content that the Company or BNE deems inappropriate.

■ Others

These guidelines are subject to change without notice. The Company is not liable for any damages resulting from the changes.

Please check this page as needed and use the “Decentralized Autonomous Golem REML” voice and character within the scope set forth in the latest guidelines.
